## REPORT OF DISTRICTS

---

### HOUSTON DISTRICT.

C. R. ROBINSON, *District Superintendent*

The past year has been one of changing hues, some drab others bright. We were fortunate in beginning the year with a pastor for every charge and with a few exceptions all have remained through the year. J. M. Shank appointed to La Porte, spent one night there and left, A. M. Wynne being changed from Woodville to La Porte, Brother Shank going to Woodville. Later he left that place and E. McLain filled out the year.

C. H. LaGrone left Sabine Circuit near the close of the year. A. W. Alexander, a local preacher, finished the year.

E. N. Hardin left Bethel appointment on the Bethel and Deadwood charge and Alton Carrington, a local preacher, took the appointment. Hardin afterward abandoned Deadwood appointment which was unsupplied until Conference.

The Epworth League Institute held at La Porte under the leadership of C. W. Rodgers showed an advance of work. For the first time the attendance from the Southern Conference exceeded that of the Gulf. A larger attendance would mean increased efficiency in Epworth League work. Larger things are planned for next year.

With gratitude we record that death has not visited a pastor's home, and only one pastor has been kept from his work by illness.

Brother J. M. Kenna, after spending nearly his three score years in Dixie, went to New York on an extended visit and like his forebears of sixty years ago found the Yankees too much for him, and he was confined to his bed for several weeks after his return. It is difficult to tell what would have happened if his wife had not been with him.

The health of the Superintendent has been excellent and only one charge has missed having four quarterly confer-

ences, though some of them have been held after several dates had been set.

There has been advance made in improving and repairing church property. A large addition is being made to the Pearland church made necessary by the growth of the Sunday School.

Lufkin has a six room parsonage in process of construction. Deadwood has bought a schoolhouse which will double the capacity of the church, give ample room for the Sunday School and furnish a Community Hall that will furnish a center for activities of a healthy kind for miles around. LaGrone has promised to furnish a high grade radio to bring the outside world to this place twenty miles from the railroad. Bethel on this charge has painted the parsonage, that has been mentioned by the Superintendent as about to be painted for the last three years. This point has beautified the church with a new carpet and seats.

La Porte has installed a bath room and renovated the parsonage inside with paint and varnish.

Texas City has spent considerable in repairing the damage to the property done by the 1915 storm. The parsonage is as good as new inside.

Woodville has fitted the parsonage with furniture. An example to all our parsonage trustees, and a new roof protects our church at Colmesniel on this charge.

Last Sunday the new church at Rosedaleon, the Woodville charge, was dedicated with Brother C. W. Rodgers of Port Arthur preaching the sermon and handling the finances. Money to cover all bills was raised so that the church was dedicated by the Superintendent free of debt. The pastor, E. McLain, did fine work on this charge.

Hughes Springs charge has paid for a new piano at Hughes Springs and put new roofs on the churches at Atlanta and Jefferson, also freshening them with paint. A fine new garage shelters the preacher's car at Hughes Springs.

I desire to acknowledge help given by the Board of Church Extension to the Deadwood, Lufkin, Pearland, and Rosedale building enterprises.

Port Arthur, Collins Memorial Houston, and Midway on the Polk Circuit reduced their church debts. All of these advances are real victories when it is remembered that east Texas is suffering from the worst drought in over sixty years.

Port Arthur College, in spite of the fact that it has had five presidents in the last five years, was never so prosperous as now. President Power left in September to return to public school work and Mr. A. B. Chenier, for the past ten years connected with Tyler Commercial College, was secured. In both income and students the school has eclipsed all previous records. The new president boldly states that the school will have 2000 students in five years and the Board of Trustees will make room for them. Watch that school grow.

Woman's Missionary work has made marked advance under the inspiration given by Miss Jennie Walker in a series of meetings held by her in the district under the efficient leadership of Sister Briggle of San Antonio.

Considerable interest has developed in Sunday School work along the lines of graded lessons and teacher training classes. Over half the schools are graded or partially graded and Marshall, Collins Memorial Houston, and Port Arthur have fully organized teacher training classes, Port Arthur having two large classes. When more of our pastors become alive to the possibilities of teacher training more of them will avail themselves of the valuable aid offered by our Sunday School Board in organizing for more effective work. The old stereotyped method of conducting Sunday School is little less than a crime in these days of efficient methods that can be had for the asking.

Revival fires have burned on many church altars. The most notable ones being the Union Meeting at Marshall and the meeting held at Elliott Chapel on the Lufkin charge by the pastor J. S. Denny. The Conference Evangelist C. A. Perkins waged successful warfare against sin in a number of charges.

No one thing would help Houston district as much as the thorough adoption of the budget and every member can-

vass plan. I have yet to find the first church where an improvement has not followed the adoption in even a limited form of the new plan as adopted and recorded in our new discipline. I sometimes wonder if a school of methods meeting during our Annual Conference would not at least start inquiries that would help many pastors to better methods of carrying on the work of the kingdom.

C. R. ROBINSON.

#### LAKE CHARLES DISTRICT.

HAUGHTON K. FAULK, *District Superintendent.*

In presenting this report of the labors in the Lake Charles District, I wish to express my sincere appreciation to all who have so earnestly co-operated in the work this year.

There have been some changes in pastors. C. E. Woodson, who was assigned the church at Basile, left during June. Luther Lyon, a young local preacher, was secured and filled out the year with favor to the people. F. R. Cline, pastor at DeQuincey, left during July. T. J. Shrode, a beloved brother and member of this conference, has carried that promising work on with deserving credit to the end of the year. S. H. Yockey, owing to conditions, requested to be relieved of the church at Ebenezer for the last three months of the year. This request was granted. Bro. Yockey desires the retired relation at this session of the Conference. Henry Faulk, a local preacher, has completed the conference year at Ebenezer. S. P. Gaskins, a month before Conference, asked to be relieved of Weaver and Quitman in order to attend college. This was granted. He has entered Oklahoma College and is now stationed at Wellston, Oklahoma.

This has been a trying year on account of the prolonged drought, but the ministers and people have been loyal to the work of the church, some to the point of true sacrifice.

This year there has been the largest general gain yet in membership in the district. There has been a substantial

gain in nearly every church. The net gain in membership has been ten per cent.

The Epworth League Institute at Lake Arthur was of the same high standard and greatly beneficial to the young people who availed themselves of its opportunities. A request is made that the Institute be more suitably located for another year.

C. A. Perkins has been abundant in labors in the district and ably assisted by the pastors, the fires of evangelistic zeal have been kept burning throughout the year.

The Evangeline Preparatory School has opened its doors again with promise of another successful year. This school is deserving of better financial support. Especially is the school in need of investigation and support by the Board of Education of our Church. The Board of Home Missions and Church Extension and the Woman's Missionary Society are to be especially commended for their loyal support in this needy missionary field.

Time would fail to tell all the details of work in the district, how people and pastors have toiled through the year and made progress in face of the difficulties.

HAUGHTON K. FAULK.

#### SAN ANTONIO DISTRICT.

L. E. GOWER, *District Superintendent.*

Bishop E. L. Waldorf and Brethren of the Conference:

In the language of that saint of God, whose life touched both of the preceding centuries with blessings, the Rev. John Newton, I wish to say both as a Minister and District Superintendent, "Safely through another" year, "God has brought us on our way."

Through no other of the nine years that it has been my high privilege to serve you as a District Superintendent has God been more constantly and consciously present or that presence meant more to me than through the year now closing.

At times we have advanced as the Lord led on, whether as by a pillar of cloud by day or of fire by night; and at other times we have just had to "wait and see the salvation of the Lord", but in and through it all we have advanced.

We have abandoned one and entered four fields of operation during the year. Some of these new fields give good promise of strength to the church and all are much in need of the church. In entering these new fields we have observed the principle by which we have been governed during all these years of district service, that is, we have not entered where our Sister Methodism was doing the work that was there to be done.

The district will show a good per cent of increase in membership.

In a large way the benevolences have been carefully looked after and will show but little if any falling off from last year's returns.

There has been a very substantial advance in Ministerial support, yet there is much room and need for a greater advance.

As a result of two splendid revivals, one at Lyford and the other at San Juan, these churches were greatly helped and our cause strengthened locally, also because of these there has been a decided advance on these charges in the amount paid on Ministerial support and the benevolences.

Trinity Church, in San Antonio, has carried its heavy load splendidly and has just re-financed in such a way as to greatly relieve the situation and afford it a real chance to advance rapidly along all lines. I am sure that its membership was never more optimistic.

Respectfully,

L. E. GOWER, *Dist. Supt.*

## REPORTS

---

### WORLD SERVICE.

The Centenary period has passed. A World Service Council has been formed to carry on the world program of our church. Adjustments are necessary.

There has been a marked decrease in giving to the benevolences. Last year we gave near twelve millions of dollars but this year we fell to eight and a half millions. The entire work of the church is feeling keenly this decrease. The general World Service Council recommends regular efforts by an organized church to bring in weekly or monthly offerings instead of spasmadic efforts. To do this there must be a thorough organization of the local church. We approve of the following plan:

1. The pastor nominates the local World Service Council. The Quarterly Conference approves.
2. There should be three officers: a key man for chairman, a good secretary, and a competent accountant for treasurer.
3. The membership and the constituents should be formed into groups of from fifteen to thirty and a chairman and secretary for each group should be nominated by the pastor or approved by him.
4. The pastor, chairman, secretary and treasurer and the chairmen and secretaries of the groups constitute the local World Service Council.
5. The Council through the groups should bring every member and constituent into the organization.
6. The Council shall thoroughly inform the church on benevolent matters and arrange an every member canvass at the earliest date. Suitable books for all local Council needs can be secured from 740 Rush St., Chicago, Ill. The Hollingshead plan is recommended.

Each and every member in the church no matter how many in one family should be asked for a pledge of a definite amount to be paid by the weekly or monthly plan. The

father should not be expected to do the whole paying for the whole family than he is expected to do the whole praying for the whole family.

The Pastor should send the names of the chairman, secretary and treasurer to 1121 McGee St., Kansas City Mo.

Bulletins with missionary literature on one side and the other blank for local news can be secured from the Chicago office at fifty cents per hundred.

We further advise the local Council, through the group chairman and secretary, to make sure that the regular collections of each group are turned over to the treasurer and forwarded to O. W. Auman, 740 Rush St., Chicago.

The World Service treasurer should be treasurer of no other funds. The pastor should not be the treasurer.

We recommend that Easter be used to stimulate a missionary spirit and to increase the offerings for World Service.

#### REPORT OF CONFERENCE BOARD OF EDUCATION.

Your committee hereby heartily endorses the action of the General Conference in merging the Board of Education for Negroes, Board of Sunday Schools, Board of Epworth

League, and Board of Education under one administration. This happy recognition of economy of effort and elimination of overlapping in administration cannot fail to meet the approval of Methodism.

The Conference rejoices in the achievements of the Port Arthur Business College, Port Arthur, Texas, and of the Evangeline Preparatory School, Basile, La. These schools make a strong appeal to the Conference because of the emphasis placed on moral and religious training.

We urge the necessity of the Teacher Training Classes in every Sunday School, and of the use of the Graded Lessons.

Epworth League Institutes have already proved to be of very great value in the life of our young people. We advise their continuance. No pastor is fully meeting his obligation unless he does his best to organize and promote the Epworth League ideals. Each chapter is requested to plan to send delegates to an Institute and make their attendance possible.

RUSSEL T. PYNES.

#### HOSPITALS AND HOMES.

We recommend that our churches give their support to our Hospitals and Homes. If we get the help that we need we must help needy humanity. Whoso hath this world's goods and beholdeh his brother in need and shutteth up his compassion from him, how doth the love of God abide in him?

#### EVANGELISM.

The Department of Evangelism is the most important in the church. We need the revival fires burning in our hearts and churches continuously. Realizing that refor-

tion is needed when formation has failed we urge the conservation and proper development of the spiritual life of the child. God expects us to accept a responsibility as well as an experience.

We recommend exchange of service in evangelistic work by neighboring pastors, also the use of tents in summer campaigns.

The parish of Methodism is still the world.

##### PROPOSAL TO MEET BUDGET DEFICIT.

1. Fifty dollar annual scholarships will be planned and full scholarships or half scholarships will be acceptable from individuals, churches or other societies.
2. We hereby recommend that the Gulf Conference set aside the Sunday before or the Sunday after Washington's birthday as a day when all the facts concerning the school may be brought to the attention of each church in the Gulf Conference and offering received from the church for the school. We request that the offering take the form of scholarships and that each congregation be urged to provide at least one and as many more such scholarships as possible. Where a whole scholarship cannot be secured a half scholarship will be gratefully received.
3. We recommend that an allowance of not more than \$500.00 be made for special teacher as part time substitute for President Hervey and for such publicity expense as may be necessary in order that the above plan may be carried out successfully and in order that President Hervey may spend additional time in the field.

4. The school authorities shall supply each pastor definite information and definite talking points to be used in presenting the claims of the school.

5. We recommend that a statement concerning the school be prepared by a committee composed of Rev. C. W. Rodgers, Rev. J. W. Hervey, the District Superintendent of the Lake Charles District, Rev. R. L. Weldon and H. G. Patterson, and that this statement be sent to the Central and to the pastors and through such other publicity channels as may be expedient.

6. We further recommend that the committee authorized to draw up the statement concerning the school be requested to continue negotiations with the Board of Education looking toward securing an appropriation for the support of the school.

Port Arthur, Texas,  
December 23, 1924.

To the Gulf Conference of the Methodist Episcopal Church,  
Welsh, Louisiana.

Greetings:

We are herewith submitting to you a synopsis of the doing of Port Arthur College from January 1 to November 1, 1924. As our fiscal year does not end until April 30, 1925, it will not be possible to give a detailed financial report.

It will be of interest to the Conference to have some definite information; first, as to the progress being made by Port Arthur College and, second, the outlook as to future growth of the school. During the time mentioned about 461 students have enrolled in day and night school for the various courses of Bookkeeping, Shorthand, Typewriting, Banking, Telegraphy, etc. Of this number 100 full-time new students and 96 night students enrolled since September 8. 92 ex-students reentered since September 8 to complete their work. 285 persons enrolled, including our night

school enrollment, since September 8 or more than half the entire enrollment for the year.

This rapid increase in enrollment makes us feel that the future growth of Port Arthur College is to be greater than in any previous year in the history of the school. We have at this time 10,000 names on our mailing list. These names have been acquired during the last 90 days. We should develop at least 8 per cent of them within the next twelve months. This alone will give us a better enrollment than in any previous year.

On account of the large number of girls entering since September 8, and deeming it to the best interest of the school, all boys have been placed in rooms in private homes near the school, the Dormitory being given over entirely to girls. This not only enables us to accommodate more girls, but is a more satisfactory arrangement and meets with the approval of the Board of Trustees and the parents of the girls. We are advertising this special feature and it is meeting with favorable response.

Seventy-one cities and towns from eleven different states are represented in the present enrollment. Indications are that our territory will extend to other states and cities within a short time.

During the months of September and November exhibits were held at the Port Arthur Fair and the South Texas State Fair. These were successful in every respect. A large number of the names now on our present mailing list was secured as a result of these exhibits.

A special musical program was rendered under the auspices of Port Arthur College from Radio Station KFDM, of the Magnolia Petroleum Company, Beaumont, Texas, Tuesday, September 18. Applause for this program has been received from various parts of the United States; Oakland, California, Sea Island, Maine, and Miami, Florida, as well as from hundreds of nearby places.

With careful management Port Arthur College should and will be self-sustaining financially and will hold an honored place in the South as one of the most progressive and influential business colleges.

Perfect harmony exists among the faculty and office force. Everybody is working to make Port Arthur College the very best in the country. The management wishes to thank the Board of Education, Trustees, and all others with whom our relationship has been so pleasant.

Herewith attached to this report is a financial statement from January 1 to November 1, 1924.

The students and faculty were honored with a visit by Bishop Waldorf, Tuesday, December 2, at which time the Bishop gave a very appropriate address, outlining the policies of the church in an educational way and at the same time pointing out ways and means by which Port Arthur College could do its part in assisting the church in carrying on its work for the advancement of Methodism and the serving of all denominations and creeds. The Bishop's address was timely and met with the unanimous approval of the Board of Trustees, faculty, and students.

At the regular session of the general Board of Trustees of Port Arthur College held on May 29, 1924, the following trustees were nominated for your confirmation and we ask that they be confirmed at this meeting: Mr. R. C. Holmes, Mr. R. L. Drake, Mr. G. E. Carter, Mr. J. W. Williams, Mr. C. E. Herman, Mr. H. F. Bunker, and Mr. C. E. Willard.

Respectfully submitted,  
J. W. WILLIAMS, *Chairman of Board*,  
A. B. CHENIER, *President*,

## WOMAN'S HOME MISSIONARY SOCIETY.

The Woman's Home Missionary Society has for its special field the work in the home land.

There should be a Woman's Home Missionary Society in every church. During this last year there has been a decided increase in the number of societies and collections.

The Evangeline Home for Girls at Basile, La., within the bounds of the Gulf Conference is one of the many good works supported by the Woman's Home Missionary Society.

These are the aims for this year: One-twelfth of our

pledge sent to Conference Treasurer monthly; mite box for every member; and a thank offering from each Society.

The following were chosen officers for the year: Treasurer, Mrs. H. C. Leonard, 1009 Harvard St., Houston, Texas; Mite Box Secretary, Mrs. C. C. Carlisle, Welsh La.; Young People's Secretary, Mrs. A. B. Chenier, Port Arthur, Texas; Children's Secretary, Mrs. H. K. Faulk, Lake Charles, La.; Corresponding Secretary, Mrs. E. C. Willard, Welsh, La.

---

#### WOMAN'S FOREIGN MISSIONARY SOCIETY.

The passing of this year shows fair progress in the Woman's Foreign Missionary Society, and we begin the new year with high aims and large goals and we ask the support of the ministers of the Conference to help us reach the mark.

May every charge give the W. F. M. S. a thank offering Sunday whether they have a society or not; we want to be represented in every charge and where a society is not possible we earnestly entreat that extension members be secured as we have a missionary in India entirely dependent upon their support. Do not fail her.

We would extend the kingdom by extending every department in the Woman's Foreign Missionary Society. May every auxiliary mother some children's society as "Kings Herald", "Little Light Bearers", or "Standard Bearers", and we are very anxious that the young people find their place in this great work. There are hundreds of millions calling. Will you help? As the society completes the uplifted cross, we find we are "saved for service" and the privilege of such service will bring joy and gladness to us all.

To those who labored with us so abundantly and unceasingly last year we give our heartfelt thanks.

Mrs. Ella A. Briggle, 1022 Blanco Road, San Antonio,

Texas, was again elected Secretary and Treasurer of Gulf Conference for the W. F. M. S., so we labor together for another year.

May the Father lead us in more earnest prayer, more devoted labor and greater sacrifice.

#### RESOLUTIONS.

The Gulf Annual Conference has been splendidly entertained by the members and friends of our church at Welsh. We express special appreciation to Brother Weldon and the ladies of the church. We have found a hearty welcome to your homes and a warm place in your hearts.

We have been favored by the presence of A. E. Petersen, that genial leader of the youth of our Area, by the representatives of the Boards, A. J. Loeppert, F. W. Mueller and E. B. Caldwell, and E. E. Cavaleri. We note with special favor the presence of Phil Deschner of the Southern Conference.

For the fifth consecutive time Bishop E. L. Waldorf has presided over this Conference. During these years so filled with his personal interest in every man and every charge he has endeared himself to all. His administration has been sympathetic and just. We recognize in him a leadership worthy to be followed.

### STATEMENT OF SECRETARY.

The publishing of the Journal is not the only expense of this office. Once in four years the Journal is bound into a volume, the Conference trunk is hauled from Conference to Conference, postage is paid on Journals and annual report blanks, telegrams are sent, affidavits are made and all extra printing, as in the case of the Gulf Conference Amendment—all these are paid from the income of the Secretary. For the first time in a number of years there is not a deficit to be carried into the new year, and every year some one fails to pay his part. This year the Journal is placed at such a price that it is possible by proper presentation to sell the entire number and pay out.
